MEMORANDUM FOR: Chief, Regulatory Policy Division/DDA

25X1 FROM:

[redacted]
Chief, Policy Branch/PPS/OS

25X1 SUBJECT:

Proposed Revision of [redacted] Information
25X1 Technology Management and Administration [redacted]

25X1 1. The Office of Security (OS) recommended several changes
and additions to [redacted] Information Technology Management and
Administration, in our memorandum dated 13 January 1988. In
25X1 addition, OS recommends that Paragraph e.(2)(a) read as
follows: [redacted]

(a) Because of the security vulnerabilities of IT
systems, IT proposals will be coordinated with the
Office of Security prior to submission to the
Management Services Division, OIT. The Information
Security Group (ISG), OS, will be the focal point
within OS. ISG will coordinate with other
security elements (i.e. physical and technical
security, and TEMPEST) prior to granting security
approval.

25X1 2. Any questions pertaining to the above should be
directed to [redacted] Policy Branch/PPS/OS, on
25X1 secure extension [redacted]

25X1 !OS/PB/PPS [redacted] (29 Jan 88)!
